Dear Co-Chair Darling and Co-Chair Vos:

The Department of Regulation and Licensing, as required by s. 440.03(9)(a), has recalculated the administrative and enforcement costs of the department that are attributable to the regulation of each occupation or business.

However, consistent with the department's goals to help stimulate job creation and the business environment in the state, the department will freeze fees at the current 2009-2011 level. The revenue produced by the current fees will be sufficient to cover the operating expenses of the agency.

The 2011-2013 fee report is attached.

Sincerely,

Dave Ross
Secretary
