Senator Tom Tiffany Votes to Preserve SeniorCare

Madison…Senator Tom Tiffany (R-Hazelhurst) issued the following statement regarding his recent vote to preserve SeniorCare:

"Governor Walker's budget was introduced in February, and since then, a consistent message I have heard from constituents has been the need to keep SeniorCare intact. Today, I am pleased to announce that the message was received loud and clear and we have delivered on making SeniorCare available to those most in need."

"Today's vote will maintain SeniorCare for the future and fully-fund the program so enrollees will not see a fee or drug co-pay increase. I applaud my colleagues on Joint Finance Committee for joining me in today's vote and thank all of the constituents who contacted my office."
