senatorfitzgerald.com @senfitzgerald

During the budget process and throughout past legislative sessions, the input of constituents has been invaluable in crafting our legislative agenda and improving our proposals. These office hours are a great opportunity to meet in person to discuss your thoughts and concerns.

I hope you will join me for the sessions listed below. If you would like more information about these office hours or are unable to attend, please visit my website at **www.senatorfitzgerald.com**.
