11/14/18 INSTRUCTIONS:

Increase legislative oversight of the "Fast Forward" workforce development program by restoring separate appropriations for the component programs and specifying funding amounts for each component program. Currently, grants may be awarded at the discretion of the department for any of the programs listed in the appropriation or to any public or private organizations for the development and implementation of workforce training programs.

Separate s. 20.445 (1)(b) into separate appropriations, to the extent possible, as they existed before 2015 Acts 55 and 348 consolidated them. Use the amounts that existed before consolidation.

Convert s. 20.445 (1)(b) from a continuing to an annual appropriation.

For FY 2018-19, allow DWD to request that JCF transfer money from s. 20.445 (1)(b) to s. 20.445 (1)(dg) and (e) to pay for anticipated grant expenditures.

7 programs into a separate appropriation to the department for each program
8 and making an appropriation.

Analysis by the Legislative Reference Bureau

This bill separates a single appropriation to the Department of Workforce Development for various workforce training programs, commonly referred to as the Fast Forward program, into a separate appropriation for each program. The bill appropriates the following amounts for each of the following programs for fiscal year 2018-19:

1. Career and technical education incentive grants — $3,500,000
2. Technical education equipment grants — $500,000
3. Teacher development program grants — $0
4. Apprenticeship programs — $225,000

5. Local youth apprenticeship grants — $2,233,700

6. Employment transit assistance grants — $464,800

7. Youth summer jobs programs in 1st class cities (currently only the city of Milwaukee) — $422,400

Under the bill, DWD may request that the Joint Committee on Finance transfer moneys from the Fast Forward appropriation account to the appropriation accounts for the teacher development program grants and local youth apprenticeship grants to fund those grant programs.

The bill also converts the Fast Forward appropriation from a continuing appropriation to an annual appropriation.

For further information see the ***state*** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 20.005 (3) (schedule) of the statutes: at the appropriate place, insert

(fg)	Employment transit assistance grants	GPR	A	-0-	464,800
(fm)	Youth summer jobs programs	GPR	A	-0-	422,400

****NOTE: Under current law, DWD must allocate not less than $3,500,000 in each fiscal year for career and technical education incentive grants under s. 106.273 (3), stats. I used that number for the appropriation under s. 20.445 (1) (bz), as created in this bill.

****NOTE: Under current law, DWD may allocate up to $500,000 in each fiscal year for technical education equipment grants under s. 106.275, stats. I used that number for the appropriation under s. 20.445 (1) (cg), as created in this bill.

****NOTE: The teacher development program grants under s. 106.272, stats., were created in 2017 Wisconsin Act 59, and current law does not allocate a specific dollar amount for those grants. As currently drafted, this bill appropriates $0 for the appropriation under s. 20.445 (1) (dg), as created in this bill.

****NOTE: Before 2015 Wisconsin Act 348 combined the appropriation for the apprenticeship completion award program under s. 106.05 (2), stats., with the Fast Forward appropriation, $225,000 was appropriated for that program in each fiscal year. I used that number for the appropriation under s. 20.445 (1) (dr), as created in this bill.

****NOTE: Before 2015 Wisconsin Act 348 combined the appropriation for the local youth apprenticeship grants under s. 106.13 (3m), stats., with the Fast Forward appropriation, $2,233,700 was appropriated for that program in each fiscal year. I used that number for the appropriation under s. 20.445 (1) (e), as created in this bill.

****NOTE: Before 2015 Wisconsin Act 348 combined the appropriation for the employment transit assistance grants under s. 106.26, stats., with the Fast Forward appropriation, $464,800 was appropriated for that program in each fiscal year. I used that number for the appropriation under s. 20.445 (1) (fg), as created in this bill.

****NOTE: Before 2015 Wisconsin Act 348 combined the appropriation for the youth summer jobs program under s. 106.18, stats., with the Fast Forward appropriation, $422,400 was appropriated for that program in each fiscal year. I used that number for the appropriation under s. 20.445 (1) (fm), as created in this bill.

****NOTE: All appropriations created in this bill are annual, and the bill converts the Fast Forward appropriation to an annual appropriation. Let me know if that is not consistent with your intent.

SECTION 2. 20.445 (1) (b) of the statutes is amended to read:

20.445 **(1)** (b) *Workforce training; programs, grants, and services.* ~~As a continuing appropriation, the~~ <u>The</u> amounts in the schedule for the ~~local youth apprenticeship grants under s. 106.13 (3m), youth summer jobs programs under s. 106.18, employment transit assistance grants under s. 106.26,~~ workforce training <u>programs,</u> grants, and services under s. 106.27 (1), (1g), (1j), and (1r)~~, teacher development program grants under s. 106.272, career and technical education~~

****NOTE: When 2015 Wisconsin Act 348 combined the DWD appropriations into s. 20.445 (1) (b), the act also expanded s. 20.445 (1) (bm) to provide a pot of money for administration costs associated with the various workforce training programs funded from the appropriation under s. 20.445 (1) (b). As currently drafted, this bill does not break apart s. 20.445 (1) (bm). Please let me know if that is not consistent with your intent.

****NOTE: As a result of a cross-reference in s. 106.27 (3), stats., to s. 20.445 (1) (b), stats., removing the various workforce training programs from the appropriation under s. 20.445 (1) (b), stats., results in those removed programs not being included in the report DWD prepares under s. 106.27 (3), stats. Please let me know if that is not consistent with your intent.

As currently drafted, this bill retains s. 20.445 (1) (c), stats., as a separate appropriation. Let me know if that is not consistent with your intent.
