Rep. Steffen Receives Brown County Legislative Leadership Award

Madison- State Representative David Steffen (R-Howard) was honored by Brown County Executive, Troy Streckenbach, with the Legislative Leadership Award. Rep. Steffen was chosen to receive the award because of his outstanding service to the residents of Brown County during his first session in the Wisconsin State Legislature.

“Representative Steffen has been a strong voice for Brown County residents in the state legislature. Throughout his first term he has continually advocated for issues of importance to Brown County and has been an effective leader in serving our community. His work has made him incredibly deserving of the Legislative Leadership Award,” said County Executive Troy Streckenbach.

Brown County Executive Streckenbach noted several of Rep. Steffen’s accomplishments this session including returning the excess Lambeau Stadium sales tax and increasing reimbursements to county jails for housing state prisoners, both of which directly impacted Brown County.

“This award is near to my heart because it represents my most important task as a State Representative, serving the residents of Brown County. Throughout my first session I’ve remained dedicated to putting the needs of my constituents first, whether through helping a constituent navigate a state-related issue or through authoring legislation that has a direct impact on Brown County. My constituents have always and will always be my top priority as a state representative. Receiving this award is a true honor,” said Rep. Steffen.
