Rep. Hutton Congratulates Children’s Hospital’s #5 National Ranking

MADISON – Representative Rob Hutton today congratulated Children’s Hospital of Wisconsin for once again being ranked #5 in the nation in Cardiology and Heart Surgery by *U.S. News & World Report*. Children’s Hospital consistently achieves the highest reported survival rates in the nation for pediatric heart surgery. Due to its notable reputation and amazingly skilled doctors, the hospital attracts patients from around the state and from around the world.

“Far too many of our children and loved ones suffer from physical ailments such as heart conditions. Fortunately, in extremely tough situations like having a child in need of heart surgery, we have access to some of the top medical care in the country,” stated Representative Hutton. “The staff and medical providers at Children’s Hospital have the utmost care, compassion, skill, and innovation when dealing with a myriad of heart care issues. This is reflected both in their many top rankings and also in their high success rates. I applaud them for all of their pioneer work, ingenuity, and devotion to heart care.”
