Rep. Robyn Vining Thanks Governor Evers for Signing Epinephrine Access Bill into Law

MADISON—Governor Evers signed Senate Bill 7 into law today, a bipartisan bill that would expand access to life-saving epinephrine to those suffering severe and life-threatening allergic reactions. In response to this bill signing, Rep. Robyn Vining (D-Wauwatosa) released the following statement:

“I applaud Gov. Evers on signing this bipartisan bill—of which I am a co-sponsor—into law. For people who suffer from severe allergies, access to epinephrine can be a life or death situation. In combination with legislation I will be re-introducing later this year, we can continue to work towards the shared goal of making healthcare more accessible, affordable, and available to all Wisconsinites. Forward, *together*.”

Rep. Vining represents the 14th Assembly District, which includes parts of Wauwatosa and West Allis. For more information, visit Rep. Vining’s website [here](#).
