Rep. Sanfelippo Applauds Passage of Assembly Bill 417

Rep. Sanfelippo made the following statement on the passage of Assembly Bill 417 in the Assembly today:

“This bill strengthens legislation passed last session that was intended to improve the process of selling vacant or underused school buildings in the City of Milwaukee. Unfortunately, loopholes in that law are being exploited by the Milwaukee Public School (MPS) Board as indicated in recent news reports. This bill paves the way for the expansion of successful choice and charter school programs through an open, honest and transparent process which will provide more education options for Milwaukee families. AB417 is not just about selling buildings, it is about educating children.”
