

Governor Tony Evers has proposed his 2020–2021 State Budget. Come learn about the critical investments proposed, including:

- Public Education
- Infrastructure and Transportation
- Medicaid and Health Care

The Governor's proposed budget will have a major, positive impact on Milwaukee—and on our neighborhoods. **Please join us** to learn more about the Budget and the Budget process.

18th STATE ASSEMBLY DISTRICT

Please join us for an important presentation on the 2020–2021 State Budget. The State Budget, at a proposed \$83 billion over two years, is the most important vote the legislature will make this year. There are many items in the Budget that will benefit our neighborhoods and Milwaukee overall—come learn and participate in the Budget process.
