JARCHOW SPENDS ‘WORKING WITH YOU’ DAY AT LOCAL MARINA

Madison— On Saturday, Rep. Adam Jarchow (R-Balsam Lake) spent the day working at Reed’s Sunnyside Marina in Balsam Lake for his “Working With You” tour. He spent his time with Sunnyside’s staff installing docks and boat lifts in anticipation of boating season.

Purchased in 1973 by the Reed Family, Sunnyside Marina is a family owned business which is now run by Jeff Reed (second generation). The company employs a total of 15 employees at the peak of each season. Reed had this to say about Rep. Jarchow’s visit, “We really enjoyed having Rep. Jarchow working with us on Saturday. I was impressed that a State Representative was willing to go out and get dirty doing the hard work that his constituents do on a daily basis. He is welcome back anytime.”

Rep. Jarchow commented on his time at Sunnyside Marina, “It was a pleasure to spend some time with Sunnyside’s staff outside in the sun installing docks and boat lifts on Saturday. The boating season came quick and Reed’s crew had to work hard to get ready for the summer. Their work ethic is what makes Northwestern Wisconsin great!”

“The tourism industry relies heavily on companies like Sunnyside Marina and it is my hope that our area sees record growth in the tourism industry this year. We are off to a great start.”

He closed by saying, “Thanks so much to Jeff Reed and his team for letting me give them a hand this weekend. I hope they have a successful year and continue to grow.”
