Rep. Horlacher Supports Pain Capable Unborn Child Protection Act

Madison, WI -- Representative Cody Horlacher (R-Mukwonago) voted to support the Pain Capable Unborn Child Protection Act. Rep. Horlacher co-sponsored this important legislation earlier this session and was glad to see the Assembly take action during the floor session today.

“This legislation protects some of our most vulnerable. I am honored to stand up with my colleagues and protect children capable of pain from excruciatingly painful abortions. This is another step in the right direction to protect the unborn,” said Rep. Horlacher.

The State Assembly voted to approve this measure after the State Senate approved the measure earlier this week. The bill will now move to Governor Scott Walker for signature.
