## **Rep. Kleefisch Unveils New Website**

**MADISON** – Representative Joel Kleefisch reveals his new, first-ever website. Coming to terms with the fact that this is the 21<sup>st</sup> Century, Kleefisch is now online with an interactive website that's long overdue.

“Now that my mom's on Facebook, I figured we better have more interactive ways constituents can learn what's going on with their government and how their money is spent,” said Representative Kleefisch. “[www.RepKleefisch.com](http://www.RepKleefisch.com) is sure to revolutionize the internet as we know it. Well, probably not, but it can be extremely helpful.”

Those interested in checking out Representative Kleefisch's new website can log on to [www.RepKleefisch.com](http://www.RepKleefisch.com). The website is user-friendly and is a quick, easy, and informative way to catch up on all the workings of the Wisconsin Legislature and Wisconsin's state government.
