PRAIRIEVIEW VISITS STATE CAPITOL

MADISON - Eighth graders from Mr. Kleinschmidt's class at Prairie View Middle School in Sun Prairie were honored with a trip to visit the Wisconsin State Capitol to meet with Representative Gary Hebl during "8th Grade Day at the Capitol." Only ten schools from across the state were nominated to participate in this event. On November 1, the students came to Madison to represent their schools.

The students toured all branches and aspects of the state government, including a visit to the Assembly floor and Democratic Caucus. They also met with the First Lady and viewed the Supreme Court Hearing Room, participating with a question and answer session with the Justices.

Students were pleased with the tours and the opportunity to see our state government in action. Pictured are teachers Sandy Theiler and Stu Kleinschmidt with students (right to left) Derrell Burns, Andrew Peters, Rep. Gary Hebl, Max Farrell, Ryan Kieker, Colin Leffler, Taylor Willert, Misty Krell, and Stephanie Gebka.
