Stars and Stripes Honor Flight  
PO Box 636  
Port Washington, WI, 53074

Dear Stars and Stripes Honor Flight:

We, the undersigned legislators of the State of Wisconsin, wish to thank and congratulate the Stars and Stripes Honor Flight for their work giving opportunities for veterans to visit the memorials in Washington, DC that stand in their honor.

We also issue a warm welcome to Milwaukee's Miller Park, where Stars and Stripes Honor Flight will be host to "Field of Honor: A Salute to the Greatest Generation" on August 11, 2012.

It estimated that our nation loses an average of 900 World War II veterans every day. Since its inception, the Honor Flight Network has transported more than 80,000 Vietnam, Korea and WWII veterans to visit their memorials.

This event will not only provide an opportunity to thank the veterans who have served our country in person, but also to view a documentary to honor them entitled "Honor Flight."

We take to heart the words of President George Washington, who said "The willingness with which our young people are likely to serve in any war, no matter how justified, shall be directly proportional to how they perceive the Veterans of earlier wars were treated and appreciated by their nation."

In Wisconsin, we will continue to work to make sure veterans are treated with dignity, appreciated in our thoughts and actions, and remembered with honor.

Best wishes,
