Rep. Schraa Statement of Secretary Carr's Retirement

(Madison, WI) Rep. Michael Schraa (R-Oshkosh) released the following statement regarding the announcement of Secretary Kevin Carr's retirement from the Department of Corrections (DOC):

"I want to thank Secretary Carr for his time leading the department. Even though Secretary Carr and I may have come up with different paths at times to get to the same place on some issues, we were united in our desire for the DOC to have the safest work environment for employees, fair pay while also striving for a stable, rehabilitative environment for incarcerated individuals in our state facilities. I applaud his service to the criminal justice system.

"He is a man of honesty and integrity which I have respected which I knew I could always rely on during the course of our relationship.

"I wish him the best in his next step of life."
