## Victory for Life

**(Madison, WI)** Rep. Michael Schraa (R-Oshkosh) released the following statement regarding the United States Supreme Court's ruling in the case, *Dobbs v. Jackson Women's Health Organization*.

"This decision fixes a nearly 50 year wrong. The Supreme Court's ruling in this case acknowledges that they do not have the authority to legislate from the bench. It has always been an issue for States to address, and elected officials have the responsibility to make those decisions. I am pleased to see this decision finally released so we can protect the most vulnerable."
