## **Rep. Murphy Praises Focus on Hwy 441 Project**

(Madison)...Rep. Dave Murphy (R-Greenville) joined Governor Scott Walker in Neenah on Thursday for his announcement prioritizing the 441 Tri-County construction project.

“In the last biennial budget, I successfully advocated for more funding to keep the 441 project on track. I’m glad the Governor recognizes that the 441 project should continue to be completed without delay, and that it is a top priority not only for the Fox Valley, but for the state,” stated Murphy. “The Governor’s proposal rightly prioritizes lower bonding and increasing aid to local road projects in the upcoming budget.”

Murphy looks forward to working with his colleagues in the legislature to find additional savings through the Legislative Audit Bureau ‘Audit of the State Highway Program,’ which analyzes Department of Transportation construction and maintenance practices, and finding responsible ways to fund other important projects throughout the state. The audit is currently in progress and is expected to be released later this year.

“I look forward to utilizing more cost-effective measures to enhance our transportation infrastructure and maintenance,” Murphy stated, “and I’m very pleased that the Fox Valley can count on a better transportation picture in the near future.”
