Rep. Murphy Named Chair of Assembly Committee on Colleges and Universities and the Joint Survey Committee on Retirement

(Madison)....Rep. Dave Murphy (R-Greenville) will chair the Assembly Committee on Colleges and Universities and serve as the Assembly co-chair of the Joint Survey Committee on Retirement in the 2015-16 legislative session.

“I thank Speaker Vos for promoting me from Vice-Chair of the Colleges and University Committee and for his confidence in my abilities to lead both committees” Murphy said.

“Wisconsin’s higher education institutions play a key role in spurring economic activity, producing cutting-edge research, and training a skilled workforce.” Murphy stated, “I look forward to working with my colleagues in the legislature and higher education leaders across the state on higher education matters.”

Murphy was also named Assembly Co-Chair of the Joint Survey Committee on Retirement Systems. “We are fortunate to have a high performing state retirement system and I look forward to working with my co-chair Senator Lasee to ensure our system remains one of the best in the country.”

The remaining membership of Assembly committees will be named in the upcoming weeks.
