Rep. Murphy's Statement on Passing "Right to Work"

(Madison)... Representative Dave Murphy (R-Greenville) issued the following statement today on the passage of "Right to Work":

"I am proud to vote with my colleagues today to make Wisconsin the 25th "Right to Work" state.

"Right to work is about two things: workers should have the freedom to choose whether or not they join a union and putting Wisconsin in a better position to grow the economy.

"I appreciate all of my constituents who reached out to me to respectfully voice their opinion.

"I am not against anyone joining a union, but I believe that workers should have the freedom to choose whether or not they want to join a union."
