REP. MURPHY LAUDS TAX CUTS

(Madison, WI) – State Representative Dave Murphy (R-Greenville) issued the following statement on Governor Walker’s State of the State address Wednesday night:

“Governor Walker said he would turn our state around, and with realistic budget planning and a pro-jobs agenda and he has done just that,” stated Murphy. “I applaud the governor’s Blueprint for Prosperity plan to return the \$911.9 million surplus to those of us who paid it: the taxpayers.”

The Blueprint for Prosperity is built on a property tax reduction of \$406 million, reducing the lowest bracket of income taxes by \$98.6 million, and by adjusting income tax withholdings by \$322.6 million.

“We can once again be optimistic about Wisconsin,” Murphy said. “Better fiscal management, making sure taxpayers keep as much of their own money as possible, and setting aside the largest rainy day fund in history are major accomplishments; I know we can continue to make government work for us responsibly, transparently, and efficiently.”

Murphy represents Wisconsin’s 56th Assembly District.
