## **Rep.-Elect Stuck Statement on Committee Appointments**

MADISON – Today, Representative-Elect Amanda Stuck (D-Appleton) was pleased to announce that she has been selected to serve on the following committees during the 2015-2016 legislative session:

**Assembly Committee on Jobs and the Economy**  
**Assembly Committee on Housing and Real Estate**  
**Assembly Committee on Environment and Forestry**  
**Assembly Committee on Energy and Utilities**

“It is an honor to serve on these Committees as Representative from the 57<sup>th</sup> Assembly District. I look forward to bringing our Fox Cities values to these Committees as I work with colleagues from both sides of the aisle on the issues important to the State of Wisconsin and our Fox Cities Community,” stated Representative-Elect Stuck.

“During the fall when I was knocking on doors, overwhelmingly, people were concerned about our economy,” said Representative-Elect Stuck. “As a member of the Assembly Committee on Jobs and the Economy I’m looking forward to bring our focus back to this issue which is so important to the State of Wisconsin and our Fox Cities Community.”

“I am looking forward on working to conserve our natural resources, to protect our lands, water, and air for the next generation while promoting policies which encourage economic growth and development,” stated Representative-Elect Stuck. “I will use my experience with the Appleton Housing Authority to make sure that any issue coming before the Housing and Real Estate Committee keeps in mind the issues of low-income and affordable housing. On the Committee on Energy and Utilities, I will be an advocate for safe, reliable and affordable energy for everyone in the State of Wisconsin.”
