Rep. Amanda Stuck Announces Budget Listening Session

No Fooling – Governor’s Budget Fails Wisconsin

APPLETON – Representative Amanda Stuck (D-Appleton) will hold a listening session on April 1st (April Fool’s Day) to hear questions, comments and concerns from her constituents on the Governor’s 2015-17 Biennial Budget Proposal.

“The Biennial Budget is the main policy document that guides the policies for the State of Wisconsin for the next two years. More than 150 of my constituents have already called, emailed or wrote to me with their thoughts on the budget. The Governor’s proposal puts forward many significant changes to the programs and policies in the State of Wisconsin. I want to hear from all of my constituents, because each and every change, cut and reorganization will affect the lives of my constituents. I hope that everyone stops by the Menasha Public Library to share their questions, comments or concerns about the budget with me.”
