Rep. Amanda Stuck: Statement on Yesterday's Shooting in Menasha

MADISON – Representative Amanda Stuck (D-Appleton) issued the following statement in light of yesterday's tragic shooting along the Trestle Trail Bridge in Menasha.

“My thoughts and prayers go out to the families and friends of the victims of yesterday's horrific incident in Menasha. I would like to thank all of the law enforcement and emergency service personnel for their quick response and professional handling of yesterday's tragic shooting and the investigation thereafter. While it is too early to know all of the details of this tragic event, I am certain that our community will be able to recover and become even stronger afterwards. I hope that everyone in our Fox Cities Community and across the State of Wisconsin can take a few moments today to share a prayer for the families of all of those involved.”
