Assembly Declares August 6-9th “Mile of Music Weekend” *Area Legislators Honor Appleton Music Festival*

A bi-partisan group of fourteen Representatives and Senators, led by Representative Amanda Stuck and Senator Roger Roth introduced a Joint Resolution to declare August 6-9, 2015 as the Mile of Music Weekend in Wisconsin and declares all residents of the state as honorary Appletonians for the weekend.

“I am glad to see that the full Assembly has joined me in recognizing the tremendous hard work and dedication of Appleton’s own Cory Chisel and Dave Willems from Willems Marketing & Events who are the co-founders and organizers of the Mile of Music.”

“It is my hope that this recognition and honor will help to make Mile of Music 3 another record breaking event with even more performances and even higher attendance to the many events that weekend.”

“The Mile of Music has done such a great job of bringing people from across the State and across the Midwest to Appleton to experience many great artists and the many venues that our city has to offer. In addition to this massive economic impact to our community, the profits from the festival will continue the tradition of giving back to the community with money going to support music education in the Appleton Public Schools and funds to help support a creative economy in downtown Appleton.”

“I hope that everyone will take this opportunity to come up to Appleton this August to see some great live music, eat at great restaurants and enjoy the vivid nightlife of Downtown Appleton. I look forward to seeing my legislative colleagues and citizens from across the state as we break the attendance record at Mile of Music again this year.”
