**Madison** – Representative Nancy VanderMeer (R-Tomah) has been appointed to the Assembly Committee on Health for the 104th Session of the Wisconsin State Legislature.

“Healthcare policy is something that tremendously impacts families throughout our state. As a former board member of a local, community based, critical access hospital, I think it puts me in a unique position to contribute to the committee. Accessibility and affordability are key components of individual healthcare efforts I’ve focused on legislatively and will surely continue be a priority for me as a member of the committee.”
