Rep. VanderMeer is Ready to Improve the Budget

Madison – State Representative Nancy VanderMeer (R-Tomah) issued the following statement after Governor Walker’s budget address.

“I am excited to get to work on the new two-year state budget. Governor Walker provided the Legislature with a strong foundation to build upon. The ultimate goal is to turn that into a budget that works for everyone. Our state must have a spending plan that invests in schools, benefits rural communities, builds our economy and protects taxpayers.

“The budget is now in the hands of the legislature and it’s our turn to find ways to improve the Governor’s proposal for the people of the 70th district, and for Wisconsin as a whole. It’s our job to listen to our constituents and work to make this budget even better.

“I am looking forward to hearing input from my constituents over the next few weeks. I want to hear what outcomes you would like to see with the proposed budget. With your help, we can work toward creating the best budget for our state and give Wisconsin citizens the future they deserve.”
