Rep. VanderMeer Joins the Joint Finance Committee in Supporting Veteran's Education

Madison – Rep. Nancy VanderMeer (R-Tomah) commends the action of the Joint Finance Committee to allocate money to the Wisconsin Technical College System (WTCS) to create a fund that assists veterans with their education.

“As the Vice-Chair of the Committee on Veterans and Military Affairs, I have been a strong advocate for additional resources for veterans and their educational needs. The support for our returning veterans is critical. I am encouraged by the steps taken by the budget committee to further support our veterans.”

The Joint Finance Committee's action provides funding of \$1,000,000 in grants to the Wisconsin Technical College schools to aid in the support programs and services offered to veterans. The motion passed the committee on a bipartisan vote of 16-0.

“This action by the Joint Finance Committee will assist veterans in obtaining education and training necessary for them to become a part of Wisconsin's growing workforce. For all their sacrifices, it's the least we can do for our servicemen and women.”
