REPRESENTATIVE MEYERS STATEMENT ON FLOODING IN THE 74TH ASSEMBLY DISTRICT

MADISON – State Representative Beth Meyers (D – Bayfield) issued the following statement regarding the severe flooding and road damage that took place late last night in the 74th Assembly District.

“First and foremost, please heed the warnings from local officials and be extremely cautious if you must travel today, as safety is our top priority. The flooding has caused severe damage, which reminds us how important our infrastructure and emergency responders are to the well-being of our community. I applaud the efforts of our local community leaders who are helping with the effects of the flood, and I am here to help in any way that I can.”
