### **Rep. Considine Statement on Extraordinary Session for “Right to Work”**

MADISON – Rep. Dave Considine (D – Baraboo) issued the following statement Friday regarding the decision to call an extraordinary session on “Right to Work” legislation:

“I was very disappointed to hear this morning that Republican leadership will be fast-tracking a so-called “Right to Work” bill next week. This proposal will only distract from Wisconsin's real problem: a severe budget deficit.

Instead of spending time on unnecessary, divisive legislation that would lower wages and living standards for ALL workers, we should be focusing on what really matters - improving public education for our children, protecting SeniorCare and programs benefiting people with disabilities, and creating sustainable, family-supporting jobs.”
