Sauk Prairie Ambulance Association Advanced EMT

Kelli Kirch Honored on Assembly Floor

MADISON – Yesterday, Representative Dave Considine (D-Baraboo) honored Sauk Prairie Ambulance Association Advanced Emergency Medical Technician (EMT) Kelli Kirch as the First Responder of the Year for the 81st Assembly District. Kelli was invited onto the Assembly floor for a ceremony and received a citation for the award. Representative Considine issued the following statement on yesterday's proceedings:

"I am proud to represent Kelli Kirch and every other first responder in the 81st Assembly District. First responders work tirelessly to provide each of us with a safe community. As is true in so many professions, our first responders deserve to be honored and rewarded for their work.

"As an Advanced EMT at the Sauk Prairie Ambulance Association, Kelli Kirch has been an integral part of the team. Kelli has served the community as an EMT for 10 years, taking on many duties in her role. Through her service, Kelli has built a reputation as an excellent, dedicated provider for pre-hospital emergency care. Yesterday the Assembly honored Kelli and other first responders like her from across the state. I commend Kelli and each first responder for their service."
