Voting Needs to be Accessible

Madison – Today, the Assembly voted on a number of proposals regarding voting and election administration in Wisconsin. Representative Dave Considine (D-Baraboo) issued the following statement on the passage of these bills:

“I am frustrated that bills restricting voting access continue to be considered by the Assembly. We did pass some needed legislation. However, the majority of the bills on the agenda are bad for our state and democracy. These proposals do not make our elections safer. Once again, they will be heading to the Governor’s desk for a veto.

“We need to make voting easier for all legal voters. Elections are the foundation of our democracy. It is essential that we ensure everyone eligible can vote.”
