## **Rep. Spiros Encourages Passage of Sanctuary City Bill**

**Madison** – Rep. John Spiros (R-Marshfield) issued the following statement regarding Assembly Bill 450:

“I would like to thank Senator Nass for his strong leadership on the Sanctuary City bill, both as the co-author and as the chair of the Senate Committee on Labor and Government Reform. I would also like to thank Speaker Vos for bringing the bill before the Assembly for a vote. Finally, I encourage Senator Fitzgerald to bring the bill before the Senate for a vote and allow my colleagues in the Senate to show their support for this bill. I am confident it would pass if brought to the floor. This is common-sense legislation that ensures our communities are following federal law and protecting all citizens here in Wisconsin. The Assembly has taken a great step in voting to pass this legislation on February 16. Now I call on my colleagues in the Senate to take up and vote on this very important bill. Kathryn Steinle lost her life because her state didn’t have this law. Isn’t one life lost enough to do the right thing?”
