Preble Students Attending Wisconsin Civics Games

Green Bay, Wisc. – Next Friday, the Wisconsin Civics Games, presented by the Wisconsin Newspaper Association, will host the Regional competition where Preble High School will be competing. Representative John Macco (R-Ledgeview) will, for the second time, be a judge at this event. He released the following statement:

“Good luck to the Preble High School Civics Team as they compete in the annual Wisconsin Civics Games. I am excited to be back for a second year judging and interacting with brilliant young minds.”

“Last week, I met with Preble’s team and spoke about my experience serving as a Representative in our government. It is great to see young people truly interested in civics. This knowledge is a powerful tool in becoming responsible citizens and strong future leaders that our country needs.”
