The Passing of Former Representative John Klenke

Green Bay, Wisc. – “Representative Klenke was a long-time friend of mine and I am saddened to hear of his passing. I have known him since childhood as he was my family’s paper boy, and we went to school together. When we graduated, he was recognized as ‘Most Likely to Succeed.’ It is safe to say he lived up to that prediction, with his successful career at Schneider National, his time in the legislature, and his happy marriage to Charlotte and their 6 children.”

“Representative Klenke was an inspiration to me. He was the one that convinced me to enter politics over a decade ago. I am thankful for his friendship and service to our community. My prayers are with his family during this difficult time.”
