## Nygren to serve a second term as Co-Chair of Powerful Finance Committee

**Madison** – Representative John Nygren (R-Marinette) was re-appointed Thursday to serve a second term as Co-Chair of the Joint Committee on Finance, the legislature’s budget writing committee.

“I am honored and humbled to be selected to serve a second term as Co-Chair. I am excited to begin a new budget and look forward to meeting this next challenge.

“Last budget we were able to cut taxes for middle class families, increase public education funding, and we held the line on property taxes. This next budget we will again listen to our citizens and craft a budget that represents their values and keeps Wisconsin moving forward.

“I am pleased to again be serving next to Representative Kooyenga as my vice-chair and Representative Knudson. Both gentleman worked tirelessly on the last budget and bring a vast amount of knowledge to the table. I also look forward to working with the newly appointed members, Representatives Loudenbeck, Czaja, and Schraa. Each of them brings a unique prospective and a wealth of knowledge to the committee.

Representative Nygren was elected to represent the 89th Assembly district in 2006. He represents portions of Marinette, Oconto and Brown counties.
