## Representative Nygren's Statement on 2015-16 Standing Committee Appointments

**Madison** – State Representative John Nygren (R-Marinette), co-chair of the powerful Joint Finance Committee, released the following statement regarding his appointment to serve as a member of the Joint Legislative Audit Committee and the Committee on Corrections.

“In addition to continuing my service as Assembly Co-Chair of the budget-writing Joint Finance Committee, I’m proud to have been selected to continue to serve on the Joint Audit Committee and to join the Committee on Corrections.

“As a current member of the Joint Audit Committee, I look forward to another term working with the Audit Bureau and Assembly Co-Chair Rep. Kerkman (R-Powers Lake).

“As a new member of the Committee on Corrections, I plan to use my experience gained from my efforts on the HOPE (Heroin, Opiate, Prevention and Education) Agenda to promote measures that are smart on crime and use state resources wisely and effectively.

“I’m honored to have been selected to serve on these important committees, and I look forward to working with my colleagues in the legislature to propose new, common sense ideas this session.”
