## REP DOYLE INVITES THE PUBLIC TO BUDGET LISTENING SESSIONS

Representative Steve Doyle (D-Onalaska) is reminding residents of the 94<sup>th</sup> Assembly District to voice their opinions on the Wisconsin State Budget at listening sessions. “This is your chance to let your area Representatives know your feelings about this budget and whether you would like to see changes or deletions to various portions of it,” said Doyle.

“Senator Shilling and I like to hear what the people in our area think about this budget, not just the lobbyists and interest groups in Madison. We invite everyone to come out and let us know your thoughts on this budget. If you are not able to attend, I hope you will contact my office with any concerns or questions you have,” said Doyle.
