

State of Wisconsin  
2019 - 2020 LEGISLATURE

LRB-0293/3  
EHS:kjf

## 2019 BILL

1     **AN ACT** *to amend* 20.370 (1) (hs) (title) and 29.063 (1); and *to create* 20.370 (1)  
2           (he) of the statutes; **relating to:** funding for chronic wasting disease research  
3           and management and making an appropriation.

---

***Analysis by the Legislative Reference Bureau***

Under this bill, the Department of Natural Resources may research chronic wasting disease (CWD) in cervids, in addition to managing, and providing funding to conduct testing for CWD, which DNR is authorized to do under current law. A cervid is any species of deer or elk that is present in the wild and that is not a farm-raised deer. The bill also appropriates \$1,000,000 annually from the general fund in fiscal years 2019-20 and 2020-21 for research on and management of CWD. Current law appropriates no money for this purpose.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

---
