**Rep. Billings' Statement on Congressman Kind's More than 2
Decades of Service**

La Crosse, WI - Rep. Jill Billings (D-La Crosse) released this statement following Congressman Ron Kind's (D-La Crosse) announcement that he won't seek re-election to the US House of Representatives.

"I'd like to thank Congressman Kind for his many years of service to the people of Western Wisconsin. He has been a leader with honor, integrity, and intelligence. Congressman Kind's leadership and thoughtfulness will be missed, as he's been a dedicated and principled public servant for our region. I wish him, and his family, the best as he moves forward on to new adventures in life."
