#### Next up in the Budget Process: Executive Sessions

*The next steps in the state budget process are the Joint Finance Committee's (JFC) executive sessions. This is when each individual issue in the budget proposal is discussed in detail. JFC executive sessions will begin in early-mid April; however, specifics regarding the committee's meeting schedule are yet to be determined. ### **1st Quarter 2015 Constituent Services**

For the first three months of 2015, our office handled just over 300 contacts on various issues that matter to the people of the 97th District.

E-mails seemed to be the preferred method, followed by phone calls and then letters received. For most of these I have sent out a return letter addressing the issue.

If you reach out to me with any questions or concerns, remember to include your name, address and phone number so we can properly record what matters to you.

As always, if you have any comments or thoughts regarding the subject of this E-Update, please feel free to contact me.

If you would like to be removed from future mailings, email me and ask to unsubscribe.
