Rep. Scott Allen Joins Speaker's Task Force

Madison- Speaker of the Assembly Robin Vos (R-Rochester) announced Representative Scott Allen (R-Waukesha) will be a part of the Task Force on Urban Education. The goal of the bi-partisan task force is to explore possible solutions and recommend legislation to the full Assembly that addresses the unique challenges that confront students in urban school districts.

Task force members will study teacher recruitment and retention, discuss best practices to address chronic truancy, below-average academic performances and low graduation rates, and explore ways to improve access to technology in high poverty urban areas.

"I look forward to an open, honest, bi-partisan dialogue with my colleagues as we focus on students' successes" says Rep Allen.
