Van Roy Announces In-District Office Hours

GREEN BAY - State Rep. Karl Van Roy (R-Howard) announced today that he will hold office hours in Green Bay, Howard and Suamico on March 5th and March 9th to gather input from constituents on legislative issues and budget priorities before the Assembly takes up the 2007-09 biennial budget. Van Roy said that he hopes local residents will join him to share their opinions on the state issues that are important to them.

“I look forward to these sessions because they are a great opportunity for me to get face-to-face feedback from folks in our community,” said Van Roy. “I always appreciate hearing my constituents’ thoughts on important matters and helping those who need assistance with state government.”
