Van Roy Announces Legislative E-Update *“Van Roy’s Views” makes government more accessible*

Madison - Rep. Karl Van Roy (R-Howard) announced today that he has started sending a legislative update via email in order to keep his constituents better informed as to what is happening at the State Capitol.

The electronic newsletter, called *Van Roy’s Views*, originally started in November 2005 but went on hiatus when the legislative session ended in May 2006. The newsletter was so well received that with the start of the 2007 legislative session Van Roy has resumed sending the email update. The newsletter generally goes out every Friday and contains information on state legislative activities as well as helpful consumer awareness tips.

“People would come up to me all the time and tell me how much they enjoyed the newsletter and how disappointed they were when it stopped coming,” said Van Roy. “It’s gratifying to know that so far over 800 people are reading it and finding the contents to be interesting and informative.”

If you would like to receive *Van Roy’s Views* in your email inbox, send your request via email to Rep.VanRoy@legis.wisconsin.gov or call his Capitol office toll-free at 1-888-534-0090.

Archived e-updates can be found on Van Roy’s legislative website at <http://www.legis.state.wi.us/assembly/asm90/news/E-Newsletter%20Archives.htm>.
