Van Roy Lauds \$500,000 Grant for Green Bay Company

MADISON – Rep. Karl Van Roy issued the following statement in reaction to the announcement of a \$500,000 grant to Wilcox Steel, Inc. in Green Bay.

“This is great news for our community. Supporting businesses that offer good jobs will benefit workers, their families, the Green Bay area, and the state as a whole. Grants like these demonstrate how government and business can work together to stimulate economic development and to create job opportunities for Wisconsin residents.”

Further questions or requests for commentary from Rep. Karl Van Roy may be directed to (608) 266-0616 or to rep.vanroy@legis.state.wi.us.
