## **Rep. Rodriguez and Assembly GOP Make K-12 Top Priority**

MADISON, Wis. – State Representative Jessie Rodriguez (R-Franklin) joined her colleagues for a press conference Wednesday afternoon to announce the GOP commitment to provide funding for K-12 schools in Wisconsin.

“People throughout the state and in my district have expressed support for maintaining funding for our public schools. Today, I join my fellow colleagues in the Assembly in support of restoring the \$150 per pupil reduction in the budget for the first year of the biennium,” said Rodriguez.

GOP legislators said funding K-12 education is a top priority as they enter the final stages of the budget writing process.

“As a member of the Assembly Education Committee, K-12 schools are one of my concerns, and as the mother of a son starting kindergarten this fall, the future of our schools couldn’t be more important,” concluded Rodriguez.
