REP. VOS: STATEMENT ABOUT BALANCED BUDGET LEGISLATION

**MADISON**...Rep. Robin Vos (R-Rochester) released the following statement about Governor Walker's proposed balanced budget legislation.

"This is part two of our balanced budget act. While it would've been better to pass the budget repair bill in its entirety without Senate Democrats fleeing the state, I'm happy that we can finally move forward on this part of the critical legislation."

"I believe both parts, though, are essential in creating a sound financial footing for the state. I look forward to the full implementation of the entire budget repair bill that will keep our budget balanced without raising taxes."
