P. O. Box 7882 Madison, WI 53707-7882

February 28, 2013

The Honorable Kathleen Bernier  
Chairwoman  
Committee on Campaigns and Elections  
Room 107 West  
State Capitol  
P.O. Box 8952  
Madison, WI 53708

Dear Chairwoman Bernier,

Recent media reports have indicated inconsistencies in the enforcement of state election laws by the Wisconsin Government Accountability Board pertaining to the maintenance of eligible voter registration lists. These inconsistencies raise grave concerns about the administration of elections here in Wisconsin.

As a legislative body, we are tasked with the oversight of state agencies that execute acts of the legislature. As that is the case, we are writing to you today to ask that you hold an oversight hearing on this matter as soon as is practicable. We further ask that you invite Director and General Counsel Kevin Kennedy of the Government Accountability Board to provide in-person testimony at this hearing.

Thank you for your consideration of this request.

Sincerely,

Representative Jeremy Thiesfeldt

Representative David Craig  
83<sup>rd</sup> Assembly District
