Highway Sign for Peshtigo Fire Museum

Motion:

Move to provide \$1,000 GPR in 2017-18 in the Society's appropriation for general program operations for two highway signs for the Peshtigo Fire Museum.

Require the Department of Transportation to place two tourist-oriented directional highway signs on Highway 41 (one on the northbound side and one on the southbound side) noting the location of the Museum, with the Society using the funds from its general program operations appropriation to pay the cost of the signs and the installation fee.

Note:

The Peshtigo Fire Museum provides information about a firestorm that affected Peshtigo and the surrounding areas in 1871. The Museum is located in Peshtigo in Marinette County.
