

WISCONSIN TECHNICAL COLLEGE SYSTEM

Educational Approval Board
[LFB Paper #677]

Motion:

Move to adopt Alternative #3 from LFB Paper #677, with a modification that would sunset the Educational Approval Board on July 1, 2018.

Note:

The Educational Approval Board is an independent state agency that approves and supervises for-profit colleges and some in-state non-profit institutions. The Board consists of seven members appointed by the Governor and has a staff of 6.5 FTE positions.

Under the bill, the functions of EAB would be transferred to the Department of Safety and Professional Services (DSPS), effective January 1, 2018. Associated PR funding and position authority would also be included in the transfer.

Alternative 3 transfers EAB to DSPS as an attached board, which would retain the Educational Approval Board and transfer incumbent positions to DSPS. Under the motion, the Board would sunset on July 1, 2018, but the incumbent staff would remain in their positions at DSPS.
