Reducing Summer Melt Pilot Project

Motion:

Move to delete the provisions relating to the reducing summer melt pilot project.

---

Note:

The bill would provide \$16,200 GPR and 0.25 position in 2017-18 and \$140,500 GPR and 0.25 position in 2018-19 to create a pilot program to test the effectiveness and scalability of text-message based interventions aimed at increasing the share of high school seniors who successfully enroll in a postsecondary educational institution. The motion would delete these provisions.

[Change to Base: \$0]

[Change to Bill: -\$156,700 GPR]
